

## DAWN VESTA MODELING EXPLORATION

### MATERIALS LIST

#### 3D MODELING (*PER GROUP OF FOUR*)

gray or dark clay (*lime-sized lump*)

white or light clay (*walnut-sized lump*)

plastic knife

ball bearing, pebble, small wad of foil that will be about  $\frac{1}{4}$  the size of your dark ball of clay...

handout per person

- We find **black and white** works just as well as color printing, but it is good to have the best quality print your printer offers...

highlighter per person

- (helps a bunch following along, highlighting a step once it's complete!)

#### VESTA FLIPBOOK

scissors (*best to have a pair for @ kid*)

decent stapler (have to staple through a lot of sheets!)

handout per person

- We find **black and white** works just as well as color printing, but it is good to have the best quality print your printer offers...
